Girls Night In

What a night the girls had on the 7th of October! To raise awareness and money for Breast and Gynaecological Cancer nineteen girls camped out at the Community Resource Centre. The night consisted of loud, enthusiastic karaoke singing, some in key, lots out of key. We danced along with the singing with some girls being quite creative with their dance moves, we won't mention names! There was plenty of delicious food brought along to share and we were thoroughly spoilt with relaxing facials and hand pampers. Much later in the night everyone curled up in their swags and watched the chick flick "Grease." Over a big breakfast and more chatting the girls agreed that being with friends, sharing stories and bonding was a very special part of the sleepover, with everyone promising to return next year for more frivolous fun. We would like to extend a big thankyou to Gill Jones who came with her beautiful Nutrimetics products to pamper our guests and local businesses who kindly donated towards our basket raffle. The basket looked fabulous, filled with pink items and goodies. Thank you to everyone who purchased a ticket in the raffle, Sharyn Gairen was the lucky winner. Thank you to our guests who came to support this worthy cause and to many others who generously donated. The night was very successful raising \$600 which we think is a fantastic effort for our small community. A warm thank you to all from the staff at RCRC.

Regional Development and Lands

What's been happening at the CRC

Library News

Our plans for the children's library are continuing to come to fruition. Our latest inclusion is a brightly coloured bookshelf on wheels. The extra shelving allows us to better display the Junior Non Fiction and Fiction books so our little readers can choose their books independently. We are looking forward to purchasing a First Computer Station and software for our Junior members. This initiative along with our ongoing goal to improve our children's section is in alliance with the Literacy & Learning, Joint Statement of Principals for Libraries strategy.

We are encouraged to see so many junior readers coming along to browse and choose books and have a play at the craft table. We look forward to welcoming more children into our library and introducing them to the Junior Library Reward Card. *Congratulations to the following children who have been enthusiastically reading many books and have earned a special Library Certificate: **Nikahla Andrews, Harmony Daw, Jai Daw, Sienna Friedrich and Steven Wiech.***

We recently had the opportunity to meet with Brent Bailey the Deputy Chief Executive Officer for Ravensthorpe/Jerramungup. As our staff are all relatively new to the operational procedures of running a Public Library we have been keen to undertake training in order to deliver a more efficient service to our cliental. Brent is in the position to organise this Professional Development for our staff and we look forward to participating in it.

Community Resource Centre Computer Update

At long last our old out-dated customer computers have been replaced! We now have 6 brand new Dell computers. The new computers are running Windows 7 and Microsoft Office 2010 programs. Our new speedy computers will make your web browsing far more efficient, we are confident you will enjoy using them.

We are very appreciative and extend a big thank you for the funding the Department of Regional Development and Lands and Royalties for Regions provided for these computers at the Resource Centre.

We are still taking names of anyone who is interested in completing a basic computer course over summer. So drop in and let us know what you would like to learn.

Upcoming Events

Community Resource Network

Big Breakfast

Ravensthorpe Community Resource Centre will be hosting the Big Breakfast which will be held on Tuesday 15th November from 8am to 9.30am. The Big Breakfast celebrates the 20 year anniversary of the Western Australian Community Resource Network. To mark this anniversary, Community Resource Centres will be holding breakfasts simultaneously across the state. The Minister for Regional Development, the Hon Brendon Grylls MLA, will join the celebrations via satellite from Perth.

We warmly welcome all community members to come along to the Resource Centre and celebrate with us. Please RSVP by Tuesday 8th November.

Amberland Visits Hopetoun

Saturday 17th and Sunday 18th of December
Amberland are bringing their inflatable waterslides to town.

No need to head off to Bibra Lake's Adventure World for waterslide fun, just come on down to the Hopetoun Footy Oval for a fun filled weekend and experience "the slide of your life!". The Hopetoun Progress Association is bringing this amazing opportunity to town for your fun and enjoyment. Kids, be sure to mark the date on the calendar. There will be slides to suit all ages, toddlers included, as well as Mum and Dad. Entrance fee will be a flat rate all day pass - one price for the whole day. Sausage sizzle and cool drinks on sale.

Call the HPA office on 9838 3363 for further details or email hprogress@westnet.com.au

Meditation Classes.

When you make meditation a habit in your daily life, you do not only benefit from meditation during and immediately after meditating.

The wonderful mental, emotional and physical benefits spill over into every other moment in your life.

In general, people who meditate regularly are...

- Happier
- Healthier
- Less stressed
- Smarter (it's true)
- Have better skin
- Have more energy
- Sleep better
- Are more creative
- And do much more

Meditation and Chair Yoga classes will begin again in February 2012. If you are interested in any of this information, or you would like to register for a class, please do not hesitate to contact me on 98389057 or maria.teale@bigpond.com

 **Want to study in 2011**

Come in and see us.

We have just successfully completed an off campus Certificate III in Children's Services. Students have been coming along to night school at the CRC each month. A very special thank you to the Lecturer Anne Parker for her time and dedication.
